

HANNANS NORTH TOURIST MINE

A visit to Hannans North Tourist Mine will provide you with a glimpse of the gold mining history of Kalgoorlie-Boulder, from Paddy Hannan to the Super Pit. You will begin in the Super Pit Shop, housed in the historic Chaffers Change Room building. Here you can learn about Kalgoorlie Consolidated Gold Mines (KCGM), view a scale model of the Super Pit, watch footage of blasting and operations, and browse for premium merchandise.

You'll have the opportunity to climb onto a giant 793C haul truck, take a self-guided walking tour of the site, stand in the shovel of a 994 Loader, go inside a modern underground refuge chamber, listen to Paddy Hannan tell his tale of discovery, pan for gold, and visit the prospectors' campsite and Daisy Mae Engine Room.

After exploring the site you are welcome to make use of the free BBQ facilities or have a picnic in the Chinese Gardens.

From Sunday 8th December, Hannans North Tourist Mine is open Sunday to Friday 9am to 4pm with truck tours at 11am and 2pm.
