Volunteers are conducting bird surveys throughout the Great Western Woodlands (an area covering much of the Goldfields region) to find out what birds are living where.

Help discover the birds that are living near the biggest city in the region and get involved in important research by joining us for a bird walk in Karlkurla Park, Kalgoorlie. This will be the 5th GWW bird survey conducted at Karlkurla Park.

Meet at 7:30am in the main car park at Karlkurla Park (Paddington Dve, Kalgoorlie) for a bird walk through the park, followed by morning tea.

No prior bird-watching skills required. BYO binoculars. Morning tea provided.

Please RSVP to Janette Kavanagh (goldnats@westnet.com.au or 9021 7440).

Australia's voice for birds since 1901

BirdLife Australia is dedicated to achieving outstanding conservation results for our native birds and their habitats.
